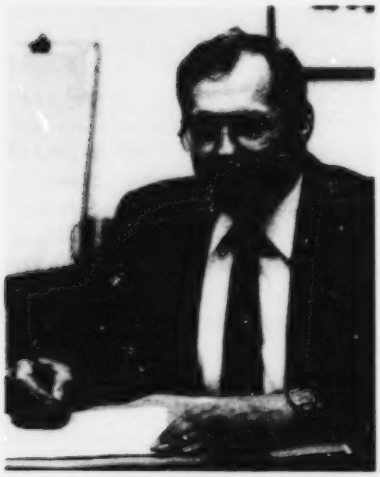
West St. Paul, Manitoba — Municipal Office

Minister of
Rural Development

Legislative Building
Winnipeg, Manitoba, CANADA
R3C 0V8



I am pleased to introduce "Municipal Officials 1991", an annual and up-to-date listing of all elected and appointed municipal officials in Manitoba; a listing of municipal organizations and their executives and a directory of key contact people in my department and across government. We are confident this year's directory will continue to be of practical assistance to everyone whose interests and efforts lie with local government.

All of us share a commitment to rural Manitoba and its traditions. A century ago our forefathers built a solid infrastructure which has supported the agricultural and other resource industries. Today we are looking to build upon the strengths inherited from our pioneers and develop diverse, multi-faceted communities where sustainable economic, social and environmental development can flourish.

Actions will best demonstrate our commitment. In working together in partnership with our local government officials, local organizations, business people, environmentalists and conservationists, we can face the 21st century strong and proud.

Yours truly,

Jim Downey
